

The cover features two anime-style characters. On the left, a girl with short brown hair and green eyes, wearing a white lab coat over a blue shirt and a red and green striped tie, sits with her hands clasped. On the right, a girl with long brown hair and blue eyes, wearing a red and white outfit with a yellow bow, lies on her side, looking up at the first girl. The background is white with a large pink decorative oval in the upper right containing the title and date. There are also some pink and blue decorative elements on the right side.

This story is developed from an unreleased comic
featuring Honotsuba that Ichih created.

Please read on if you like!

Afterword

Thanks for getting this book.
Ichiki here, who usually does
nothing but NicoMaki.

I tried writing a Tsubasa and Honoka
story this time around. However, I was
unable to adequately imagine those
two getting cozy with each other.
I'm not sure if this story ended up
with them truly being a couple or not.

It's perfectly fine with me though,
keeping them at this distance for now.
I'll just hope that things develop
between them after this..

Time to work on my next manuscript!!
